

Leawo All-in-One iOS Manager is Now Available on 40% Off Mega Discount

Leawo Software recently unveiled its 2021 Father's Day Promotion, providing 40% off mega discount on its All-in-One Manager to help father manage their iDevices effectively and easily.

Guangdong, Shenzhen, Jun 28, 2021 (Issuewire.com) - Although Father's Day has just passed, it has never got in the way of people giving gifts to their father. Instead of hastily picked up on the last-minute supermarket sweep, it is better to choose a gift carefully for the greatest man in everyone's life. It is always a dilemma to get men for presents. More often than not, they will just buy for themselves or be incredibly picky about certain things that it is hardly worth the surprise.

To help people make choices, Leawo Software, a company specialized in multimedia solutions and data management software, recently launched its [2021 Father's Day Giveaway & Specials](#) event, including 50% off discount on its 16-in-1 bundle, 40% discount on its top-seller bundles, and Blu-ray singles, 30% off discount on its site-wide products. Until 30th Jun. 2021, people can enjoy tons of deals offered by Leawo Software and have a chance to win [Leawo iTransfer](#) as a freebie. Among these deals, Leawo All-in-One iOS Manager could be regarded as the best gift for father, for its powerful and professional iDevice management solution.

Leawo All-in-One iOS Manager is actually a 3-in-1 bundle, which includes iTransfer, [Music Recorder](#), and [Tunes Cleaner](#). It provides multiple and all-around solutions for iOS data backup and transfer, online and offline audio recording, as well as iTunes library and other libraries cleanup, and more.

Leawo iTransfer, as one of the best iTunes alternative software, provides a simple interface and operation style for users. Even dads who know nothing about computers can transfer, back up, and manage their iPhone, iPod, and iPad data effectively and easily, bypassing the intervention of iTunes. It supports 12 kinds of files transfer, such as photos, videos, music, SMS, contacts, ringtone, eBook, notes, etc. between iDevices, computer, and iTunes. In addition, with this software, users can also

transfer any files to their iDevices for storage like USB flash drives.

Leawo Music Recorder is one of the most powerful audio recorders. It enables users to easily record audio from any built-in input audio, computer stream audio, and online music, and then save it in MP3 or WAV format. It can also help people get music for free from any music websites and sources, including YouTube, AOL Music, Last.fm, Spotify, and more. Apart from recording music and audio without quality loss, Leawo Music Recorder can also automatically download and add music tags like artist, album, title, etc. to the recordings.

Leawo Tunes Cleaner is designed as an iTunes supplement and assistance, providing the most effective solution to help people clean up iTunes and other music libraries in simple clicks. It can also act as an iTunes duplicate remover to detect and delete duplicate songs in iTunes or other music folders. What's more, it is also an excellent music tag finder. Based on a powerful online music database, it can download and get music tags to iTunes music files and other music libraries' files. With this software, users can manage their music libraries effortlessly and effectively.

To celebrate Father's Day 2021, Leawo Software now offers this powerful All-in-One iOS Manager with a 40% off discount. People can enjoy it at a substantial price - \$71.95.
