

Lindsey T. Brunson, PNP, a Pediatric Nurse Practitioner with Pearls Children's Clinic

Get to know Pediatric Nurse Practitioner, Lindsey T. Brunson, who serves patients in Pearl, Mississippi.

New York, New York City, Jun 17, 2021 ([IssueWire.com](https://www.issuewire.com)) - Specializing in pediatrics and critical care, Lindsey is a pediatric nurse practitioner at Pearls Children's Clinic in Pearl, Mississippi.

Pearls Children's Clinic encompasses a group of dedicated professionals whose mission is to provide timely, quality, and compassionate care to children and young adults. Anyone between ages 0-21 years are welcomed to be patients and is ensured that they receive the utmost care in promoting all aspects of health and wellness.

Back in 2016, Lindsey graduated with her Bachelor of Science in Nursing degree from the University of Michigan Medical Center. She then went on to earn her Master's degree (Pediatric Nurse Practitioner Program) from the said establishment in 2019.

Attributing her success to her patients and the support from her family, she remains an active member of the American Nurses Association (ANA). The ANA is a 501 professional organization to advance and protect the profession of nursing.

A Pediatric Nurse Practitioner (PNP) is a nurse practitioner who specializes in care to newborns, infants, toddlers, pre-schoolers, school-aged children, adolescents, and young adults. They have in-depth knowledge and experience in pediatric primary health care, including well-child care and prevention/management of common pediatric acute illnesses and chronic conditions. This care is provided to support the optimal health of children within the context of their family, community, and environmental setting.
