

Lori Nasif, DMD, a Dentist in Private Practice

Get to know Dentist Dr. Lori Nasif, who serves patients in Fort Lee, New Jersey.

New York, New York City, Jun 16, 2021 ([Issuewire.com](https://www.issuewire.com)) - Dr. Nasif is a family, cosmetic, and implant dentist located in Fort Lee, New Jersey. Her private dental practice provides a full spectrum of advanced restorative, cosmetic, and implant dentistry to all age groups. Her mission is to build trust and lasting relationships with each of her patients.

By treating and educating patients, she and her highly trained staff help patients to stay healthy in-between visits. They understand the importance of listening to patients, helping them to feel comfortable and relaxed on the road to recovery and long-term oral health. This personal approach is evident in everything they do.

From making an appointment, filling out paperwork, conducting an examination, and providing dental treatments, the caring staff at Lori M. Nasif, DMD takes the time to connect with patients and give them the thoughtful attention they deserve. They are trained on advanced dental procedures and techniques so that patients can benefit from the latest in dental care.

Graduating with her Bachelor of Science degree in Biology from Villanova University in 1997, Dr. Nasif went on to earn her Doctor of Medicine in Dentistry degree from the University of Medicine and Dentistry of New Jersey in 2001. A year later, in 2002, she completed a General Practice Residency in oral surgery and implants at the Albert Einstein Medical Center in Philadelphia, Pennsylvania.

With expertise and experience making her a leading dentist in the tri-state area, Dr. Nasif is a member of the American Dental Association, the New Jersey Dental Society, the Bergen County Dental Society, and the Bergen County Implant Study Club. She is also on staff at Hackensack University Medical Center's Department of Dentistry where she teaches and oversees dental residents in their training program.

By combining quality patient care with up-to-date technology, Dr. Nasif helps patients to achieve their dental goals in a caring and comfortable environment, and with her team, looks forward to offering each of them a truly exceptional experience. Above all, her office embraces a philosophy of care that is anchored in ethics and a commitment to excellence. It has offered its service to generations of people by providing comprehensive, caring, and compassionate dentistry.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and extractions and perform other duties to ensure that the teeth and mouth are healthy.

On a more personal note, Dr. Nasif speaks both English and Spanish.
