

Mauricios's Dress Socks Invention In Search Of Manufacturer

A New Idea For The Immediate Future

Arizona, Phoenix, Jun 9, 2021 ([Issuewire.com](https://www.issuewire.com)) - A simple yet comfortable new product sure to appeal to all men who wear dress socks; Mauricio's Dress Socks, has been developed by William West I Manuel who is 42 and is from Cincinnati, Ohio.

The unique design provides its users with stylish socks that will prevent undue stress on the feet in the form of sweating.

Mauricio's Dress Socks will have a soothing, and pleasant feel when worn. They also will come in a variety of colors to suit individual tastes and wardrobe needs.

They will also promote greater foot hygiene by keeping them cool and aired out at all times.

With its wide array of appealing qualities; Mauricio's Dress Socks should have no trouble finding success through outlets, and catalogs selling apparel products.

This invention has been issued the patent number D647692 from the US PATENT OFFICE.

This original idea is now being made available for licensing to manufacturers interested in new product development, especially in the apparel products industry.

William West I Manuel is hoping to have Mauricio's Dress Socks in full production, and available to the public within the very near future.
