

## Meet an International Tour Guide From Cambodia

He has excellent skills, can also speak foreign languages fluently with foreigners.

**Cambodia, Phnum Penh, Jun 18, 2021 ([Issuewire.com](https://www.issuewire.com))** - He has excellent skills, can also speak foreign languages fluently with foreigners. Kimsa is a well-known figure as a Cambodian International Tour Guide, Digital Creator, and Blogger in the field of institutional work and on the social media of Cambodia. He then started working as a Digital Creator and Blogger on social media in 2017. He is one of the most popular digital creators and bloggers on social media. In addition, he has worked as a Digital Creator and Blogger in many other well-known ministries and institutions in Cambodia. He is also considered to be one of the most prominent individuals who can become a popular International Tour Guide of Cambodia and one of the most popular Digital Creator, a Blogger on social media.

Mr. Kimsa has been working for the Ministry of Tourism of the Kingdom of Cambodia since 2020. His great talent is that he can speak three languages: Khmer, the first language, Korean, and the third language, which is fluent in foreign languages, English. He is currently studying many other foreign language skills to facilitate communication with foreigners as part of his guided service. Kimsa said he would do a good job for his ministry and the world, and he would help promote tourism. He also has a long-term vision to serve as an international tour guide for the Ministry of Tourism.

Mr. **Kimsa Sok** has worked in this institution, he has a lot of patience to work because he works as an international tour guide to understand a lot of cultures, civilizations, and other knowledge. Not only can he be a good international tour guide, but he is also going through further study at the university and has received extensive training from the Ministry of Tourism. After he has been trained, he has to take an exam to prove his ability and specific skills to be able to do this job. And he is a student in the Department of Tourism of the Royal University of Phnom Penh, where he was taught a lot about his

tourism skills.

Kimsa started dreaming of becoming a professional foreign language speaker and he wanted to communicate with many foreigners, then in 2014, he decided to become an international tour guide. After graduating from high school and entering the university, he decided to study at the Department of Tourism at the Royal University of Phnom Penh. He has been working as a professional international tour guide at the Ministry of Tourism of Cambodia since 2020. In addition to his professional career as an international tour guide, he also worked as an airline service in Phnom Penh during his university studies.

In 2017, since then, Kimsa has embraced another outside career as a digital creator and blogger on social media. He also has computer skills or internet research skills. He faced many obstacles about all this, he was a person with a lot of work experience that made him want to give it up as well. He eventually discovered his skills and worked as a good international tour guide.
