This month, Wyoming-born author and modern-day prophet, Mickey R. Mullen is promoting his pivotal books “Mutton’s Decadence” and “Mankind’s Dilemma”. The promotion comes at a crucial time for the Church and its following as many seek to delve deeper into their faith post-pandemic.

The books, which speak from the heart, are heavily influenced by Mullen’s own remarkable religious rebirth and his path towards redemption through God and the Bible. They encourage readers to interrogate their understanding of both the Old and New Testaments in their quest for forgiveness.

MUTTON’S DECADENCE: The Last Prophet Malachi

Mutton’s Decadence charts the true story of Mullen’s religious re-awakening, and redemption, following a spiritual epiphany in 1968 during which he felt the Holy Spirit enter his soul as he stood outside a church building.

His turbulent past, filled with alcohol and trauma from a near-fatal accident at 19, gave way to a life of devotion through sharing the word of God as the last prophet Elijah of Malachi.

MANKIND’S DILEMMA

A detailed reflection on the New Testament, Mullen’s most recent book, Mankind’s Dilemma, seeks to reveal the true meaning of the parables and allegorical tales as shared by Jesus.

In this volume, Mullen seeks to uncover the fallacy of even the King James Bible of 1611, before God returns to earth once more.
