About Us

Wellness in Every Cup.

Philippines, Metropolitan Manila Area, Jun 30, 2021 (Issuewire.com) - Turmeric is a plant from the ginger family that is used for cooking and for medicinal purposes. Hailed for its efficacy in alleviating various health conditions, it is popular among people with diabetes, skin conditions, and many more. It is also a common ingredient in dietary supplements and is the major component in [Mira's Turmeric Products](#). Recently, the wellness brand made its flagship products available in [Yoorekka's Online Selling Suite](#), enabling it to reach more customers nationwide.

[Mira's Turmeric Products](#) advocates and promotes turmeric products like brews and teas. It began its journey as a wellness brand when the owner, an organic advocate, attended an organic farming training at the Agricultural Training Institute-International Training Center.

Since then the brand has grown, and it now exports its health products internationally in Malaysia and other neighboring territories. In addition to this, Mira's Turmeric Products is also a consumer's top favorite in exhibits and expos.

The shop's best-selling products include its Turmeric Brew, Classic Salabat, and 12-in-1 Herbal Tea. All can be found and purchased at an affordable price in [Yoorekka's Online Selling Suite](#).

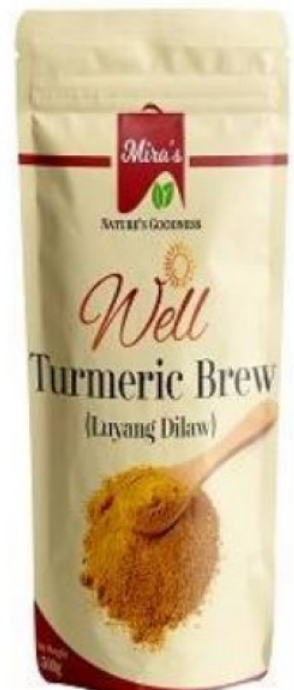

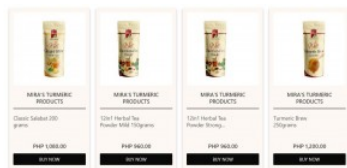

Yoorekka's Online Selling Suite is divided into three platforms: [Webmall Outlets](#), [Yoorekka Deals](#), and [Tiangge Center](#). All three platforms provide specific services that will meet the shopper's needs. The Webmall Outlets contains branded items; the Yoorekka Deals section has products sold at wholesale prices, and the Tiangge Center features items and wares from local marketplaces.

Mira's Turmeric Products can be found under the **Yoorekka Deals** section.
