

Narges Rashid Farokhi, DMD, a Dentist with Westford Dentistry

Get to know Dentist Dr. Narges Rashid Farokhi, who serves patients in Westford, Massachusetts.

New York, New York City, Jun 3, 2021 ([IssueWire.com](https://www.issuewire.com)) - A top professional in the field of general and cosmetic dentistry, Dr. Farokhi works alongside Drs. Jake Park and Hyeduk Hong at Westford Dentistry in Massachusetts. She is committed to providing quality dental care with kindness and compassion to all of her patients.

Seeing patients from all stages of life, from early childhood to senior years, the team of dental professionals at Westford Dentistry is passionate about creating beautiful, healthy smiles. They treat individuals and families, offering a full suite of services that resolve general dental problems, cosmetic imperfections, or advanced soft tissue and bone concerns.

To the team, it does not matter how simple or complex the dental concerns are, they are gentle and compassionate and treat every patient like family. This commitment to a personal touch makes their dental care some of the best in Westford, with excellent care and patient comfort as the highest priorities.

Throughout her academic career, Dr. Farokhi earned her undergraduate degree in Chemistry from UCLA in California. She then went on to obtain her Doctor of Medicine in Dentistry degree from the Henry M. Goldman School of Dental Medicine at Boston University.

Passionate about keeping up with the latest advances in dentistry, she completes many hours every year, furthering her education by taking accredited courses.

Among her professional dental affiliations, she is an active member of the American Dental Association, the Massachusetts Dental Society, and the Merrimack Valley District Dental Society.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and extractions and perform other duties to ensure that the teeth and mouth are healthy.

Happily married with two daughters, Dr. Farokhi's hobbies include swimming, reading, and traveling. She also enjoys time spent volunteering at her children's school. She and her children are involved in many activities to help the community and surrounding areas.
