

New Opportunities with Logaster: Create a Complete Corporate Identity Package Online

New York, New York City, Jun 22, 2021 ([Issuewire.com](https://www.issuewire.com)) - Logaster online logo generator has introduced new tools for the convenience of users around the world. Now, in addition to the logo, you can create other elements of the company's corporate identity on the site: a set for branding on social networks, business cards, letterheads, a favicon, and email signatures.

[Logaster](#) also launched a free QR code generator, which can also be useful for entrepreneurs.

According to the [Logaster survey](#), small businesses do not plan to invest large sums in logo design. Approximately 20.5% of entrepreneurs are not ready to pay for a logo at all, and 53.9% agree to pay no more than 100\$. You can buy an emblem created with an online generator for only €19.99. A pack with logos in different designs and formats, plus a business card and social media images costs €64.99.

You can download the design package in vector and raster formats (PNG, SVG, DOX, JPEG, and PDF). Vector format allows you to enlarge an image for printing while maintaining the quality, and raster one - to work with it on the Internet.

If you want to get a full package of corporate style with letterhead and email signature it will cost you €89.99!

You will be confident in the quality of your corporate identity package with Logaster, even if you have never done design. Logaster has been on the market for 9 years and has helped over 10 million clients to create a corporate identity.
