The world-famous Italian painter creates valuable artworks using bright expressionism.

California, Los Angeles, Jun 14, 2021 ([Issuewire.com](https://www.issuewire.com)) - 'Creativity and being able to express one's emotions through a canvas and color is something very similar to magic. Creating an emotion from nothing is truly something unique.' - Chiara Magni

Chiara Magni is an Italian painter from Lake Garda, Italy and has been featured in several publications like The World Of Interiors and Vogue. Some of her artworks, such as [Garda Lake in Pink](#) and [Boat On](#)

[Garda Lake](#) draw inspiration from her hometown. All of Chiara's paintings are oil on canvas, with most of them being painted with her fingers. She became a full-time professional painter in 2014.

Pioneer of a new Expressionist movement named 'Bright Expressionism', Chiara has recently taken to putting her artworks up for sale as NFTs on Mintable. Her unique art style can be seen in works such as [Tequila Sunset](#), [Purpura Umbras](#), and [Rainbow Borealis](#).

Bright Expressionism refers not only to very strong colors (bright) but also to the joy and vivacity that the paintings want to convey. Wanting to find a meeting point between Impressionism and Expressionism, Chiara created Bright Expressionism; differing from both in the sense that she depicts realistic objects and maintains their shape, but uses unique colors like making the grass pink or purple and the skies green.

ABOUT MINTABLE

Mintable is a next-generation non-fungible token (NFT) marketplace built on the Ethereum & Zilliqa blockchain.
