Noufal Nizar Creating Videos About Technology, Financial Products, Startup Videos & Business Case Studies to Help the Growing Community to Get Update

Kerala, Karunagappally, Jun 19, 2021 ([IssueWire.com](http://www.IssueWire.com)) - **Noufal Nizar** was born in Karunagapally

Kerala India on 27 October. He did his schooling at Govt Higher Secondary School Kulasekhara Puram and his college education at St.Thomas College Kozhancherry. He has always tried to know about the latest technologies and startup-related news because he believes startup is the future. During his schooling time, he knew about the Internet and Facebook on that time he was more curious to know what was there, that was the beginning of his journey in Internet and Social Media Platforms. That was the time of technology changing rapidly innovating new products and technologies

On 6th July 2017, he created his first Youtube Channel [Noufal Nizar](#), and uploads his first video regarding Redmi mobile hidden features, on that time the video was performed great for a beginner. For the upcoming videos that is not worked as much as expected, that is time he tries to learn about the importance of Good Quality Contents and Video Editing Patterns, Thumbnail Designs, SEO strategies, so the Youtube Carrier change him to a Youtuber, Graphic Designer, Video Editor, Content Creator. As of now, he is actively engaging in the internet he also managing various social media platforms [Instagram](#), [Twitter](#) [Facebook Account](#) [LinkedIn](#) and he also has a [Facebook Page](#), he is planning to release his new podcast, books hopefully we can expect it soon through leading platforms
