

Pacific Book Review Announces Patient Centricity as the 2021 Award Winner

A Must-Read for Healthcare Professionals

California, San Diego, Jun 14, 2021 ([Issuewire.com](https://www.issuewire.com)) - Pacific Book Review has announced the newly released healthcare training guide entitled *Patient Centricity* as the 2021 winner in the category of Health. In addition, *Patient Centricity* was selected as a finalist in the Reference category among newly released publications. Patient Centricity is an excellent healthcare worker training tool. The training guide helps enable healthcare professionals to successfully meet the psychosocial and mental health needs of the universal patient across the spectrum of the healthcare system. The guide is designed to educate and inspire frontline healthcare workers and administrators. The instructional guide provides insights and recommendations into improving patient satisfaction levels and the universal patient care experience.
