### **Nominee Director Service**

Most of the Reputed Banks in the UK do not accept applications for non-UK residents.

So hiring a British Director will enable the possibilities to get a Bank account with those reputed and top-

notch Banks for your UK Company.

Moreover, having a British director in your Company will increase your customer trust, giving your Company a reliable presence in the UK.

Note: All the rights and decisions for your company will be solely yours and protected by the Nominee Director agreement, where you will be a beneficial shareholder.

Get a UK Nominee Director for your UK Registered Company today within 24 hours of placing the order.
