

Shahrin Khan Partners with AWE Learning on Launch of Product Upgrade

Pennsylvania, Chester, Jun 2, 2021 ([Issuewire.com](https://www.issuewire.com)) - AWE Acquisition, Inc., dba AWE Learning, is excited to announce its new partnership with Shahrin Khan. Headquartered in Chester, Pennsylvania, AWE Learning is the leading provider of digital learning solutions for public libraries throughout the United States and Canada.

AWE Learning recently launched Version 2 of the Early Literacy Station™ Platinum, Bilingual Spanish Literacy Station Platinum, and AfterSchool Edge™ Platinum. Each workstation includes more than 85 educational software titles, spanning all STREAM subject areas (Science, Technology, Reading, Engineering, Art and Music, and Math) for early learners, plus new interfaces, administrative features, and Customer Portal. We are excited to have Arithmagic - Math Wizard on AWE Learning's newest release of the AfterSchool Edge Platinum. Arithmagic - Math Wizard will give help users to practice and advance their addition, subtraction, multiplication, and division skills.

Through AWE Learning's partnership with Shahrin Khan, her educational software titles will reach a larger audience and will positively impact early learners. Khan's educational activities help young learners to build school readiness skills, lead them to be successful in the classroom, and in their future. "This is a great time for AWE Learning and Arithmagic, I'm excited that so many more kids will be able to play and have fun with math," said Shahrin Khan.

AWE Learning President & CEO, Dr. Deborah B. Sorgi, said, "We are delighted to initiate this new partnership with Shahrin Khan on the newest release of our award-winning workstations. Companies

like hers offer a variety of premier educational content for our target age group and markets, and we are excited to include her content in our offerings. We certainly see the benefit it will add for our users. In today's global and connected world, or technology gives children access to digital learning resources. Additionally, by addressing the foundational literacy skills of early learners, we're lowering the need for intervention programs. And we're giving every child access to unlimited opportunities to grow and connect. We have no doubt that young patrons everywhere will greatly enjoy interacting on these exciting new titles."
