

Sonya S. Noor, MD, a Vascular Surgeon with Buffalo Endovascular & Vascular Surgical Associates

Get to know Vascular Surgeon Dr. Sonya S. Noor, who serves patients in Buffalo, New York.

New York, New York City, Jun 18, 2021 ([IssueWire.com](https://www.issuewire.com)) - Dr. Noor is an established vascular surgeon who works alongside Dr. G. Richard Curl at Buffalo Endovascular & Vascular Surgical Associates, where she serves as the Medical Director.

The doctor-duo is committed to precise diagnosis and providing the most effective therapy specifically tailored to each patient's needs. Their dedication to improving the lives of patients with vascular conditions is centered on one mission – to provide high-quality care.

Renowned across the entire country as a leading vascular surgeon, expert procedures are undertaken by Dr. Noor include abdominal aortic aneurysm endovascular and open repair, carotid surgery and stenting, atherectomy, bypass procedures, and all venous procedures.

Voted TOP DOC by Buffalo Spree two years in a row, 2017 and 2018, she keeps up with the latest procedures as serving as faculty on multiple national conferences. She also continues to provide exceptional care and support to the citizens of Buffalo, remaining affiliated with Buffalo General Medical Center, Gates Vascular Institute, Millard Fillmore Suburban Hospital, DeGraff Hospital, and Access Care.

Educated in India, Dr. Noor graduated with her medical degree from Calcutta Medical College in 1992. After moving to the United States, she completed a residency at the State University of New York Upstate Medical University in Syracuse, followed by fellowships at the University at Buffalo and Arizona Heart Hospital.

Dedicated to surgical excellence, the doctor is board-certified in general surgery and vascular surgery by the American Board of Surgery (ABS). The ABS is an independent, non-profit organization located in Philadelphia, Pennsylvania, founded for the purpose of certifying surgeons who have met a defined standard of education, training, and knowledge.

Remaining at the forefront of her challenging field, Dr. Noor is a distinguished member of the American Medical Association, the Western New York Vascular Society, and the Eastern Vascular Society. Moreover, she has earned the coveted title of Fellow of the American College of Surgeons.

Vascular surgery is a surgical subspecialty in which diseases of the vascular system, including the arteries, veins, and lymphatic circulation, are managed by medical therapy, minimally-invasive catheter procedures, and surgical reconstruction. A vascular surgeon diagnoses, treats, and manages conditions in the arteries and veins, also called the blood vessels. These specialists treat a range of health problems, from spider and varicose veins to life-threatening aneurysms, and can help patients manage chronic conditions throughout their lives.

On a more personal note, Dr. Noor is a mother, healer & yoga enthusiast, amateur tennis player, and Star Wars fan. She speaks many languages, including English, Hindi, and Bengali.
