

Srilanka Based Firm Eduzone Consultants Offers Best Education And Business Prospects

Sri Lanka, Colombo, Jun 13, 2021 ([Issuewire.com](https://www.issuewire.com)) - Eduzone Consultants are the first-ever educational firm in Sri Lanka to exclusively promote education across Nordic countries such as Finland and Sweden. With 11 years of experience in the field of academics, they have managed to secure scholarships worth 0.7 Billion (3 Million EUR). The company focuses on sending its students on scholarships rather than fee-paying programs.

Being one of the trustworthy consultants, it offers affordability in education and business scopes across the world. They aim to explore the endless opportunities of academia and help their clients to reach their goals under their guidance. They have opened the gates of global opportunities for the various communities and societies of Sri Lanka. They are the first organization to have promoted academic opportunities in Finland and also among the first in the country to have promoted State universities in the Czech Republic. They also offer business scopes and investment opportunities in Sri Lanka and Europe. Their vision is to expand their niche for the Sri Lankan communities as well as the new members of the European Union.

Eduzone Consultants is an education and business guidance company that allows clients to reach their goals through a systemic process. From enrolment assistance to promoting affordable education programs across counties such as China, Singapore, Malaysia, New Zealand, Canada, and Bulgaria, they are constantly aiming for an effective global platform for education. They also provide assistance regarding company formation across Europe, Singapore, and Sri Lanka. For all those who are looking for investment advice or opportunities, Eduzone helps clients to find the best opportunities in ongoing projects in Finland, Sri Lanka, and Lithuania. They also provide personalized enrolment assistance at any university of choice. With their experience and expertise, they have created a platform that would allow Sri Lanka to compete on a global level. For more information about the company, visit <http://www.eduzone.lk/>.
