

Tawhid Zaman Ahmad, An Emerging Tech & Agro Entrepreneur And A Music Producer from Bangladesh

Tawhid Zaman Ahmad also known simply as Tawhid, is a Bengali freelance film and music producer so as filmmaker. He is mainly a Social Worker working as social welfare activist also a social development planner, musical artist, Film and Media Figure.

West bengal, kolkata, Jun 14, 2021 ([Issuewire.com](https://www.issuewire.com)) - Tawhid Zaman Ahmad founded the Bangladesh-based Swopnojol Foundation in 2016 to work on poverty elimination in rural areas, to improve the present condition of education, health and nutrition, human rights, and the environment gradually. Besides, he is also a founding member of the Hasimukh Foundation that has supported lots of people and provided free education to underprivileged children in schools, empowered lots of families in several districts, and provided free treatment for patients. It runs free schools and also has a grants program to help poor families to set up a business that can be their source of income for the long term. During the pandemic, it donated free vegetables to individuals, as well as free groceries to families and free meals also. During the lockdown last year in 2020, when the daily wage workers were turning to their respective homes and were found with no food, his group was at the forefront to distribute foods to people. They distributed food packets on a daily basis. He claims that whatever work he does in social life is a tribute and contribution to his country.

After completing The Bachelor of Science (B.Sc degree) and The Master of Science (M.Sc degree) in Agricultural Economics(2013) and Agricultural Finance(2015), Tawhid Zaman Ahmad decided to change his career track to somewhere he finds passion and comfort. He started doing research projects in "Evaluation Of The Ancient Culture And Heritage Of South Asia " In Lalon Academy. Later, He completed online degrees regarding Audio Production, Digital Filmmaking, Artist Management, Advanced Music Production, Entertainment, and Business, Composing and Producing for Film and TV, Film and Media Production Studies, Media Communications, Music Production, Film & TV Production Management from The Los Angeles Film School Online and Berklee College of Music Online. Tawhid Zaman Ahmad successfully entered his film media career in Swapnajaal, A Bangladeshi dramatic and romantic movie in 2018, and Extraction, A Netflix-based Action Thriller Film in 2020 as Production Management Crew.

Having the long-cherished dream to do something in the IT sector for the home country where people are far away from information and technology, Tawhid Zaman Ahmad founded Contento, a content management based digital marketing firm, RainBeats Digital, a digital business growth and branding solution, Radio Awaaj, a Dhaka based online radio station, BD Aerial Drive, a drone solution service for commercial video production, Swopnojol Creatives, a film, and video production house and RainBeats Music, as one of the largest music label of South Asia. He also founded the Engage Bangla Agro Ltd. in his village to create a new scope of doing new dimensions in rural agriculture by using advanced agricultural production techniques.

Tawhid Zaman Ahmad is also a Bengali musical artist and a composer who has already verified as (OAC) in [YouTube official artist](#) channel & in largest music platform [Spotify](#).

He received the official artist channel on YouTube on January 11, 2021, and also verified on [Jiosaavn](#), [Boomplay](#), [Musixmatch](#), Soundcloud as an artist. He started his music career in 2009 with his own small studio. In 2021, he came to the music industry officially and released his first music track name "Rude", " Darkless", "Fake Smile", " The Rozer " and so on. Recently he released some tracks of his new album named "Corss Connection", " Teri Woh Salamat" " Hamari Kahani". "It's time to work largely as people are in isolation and the world is facing a pandemic situation so people are giving more time in entertainment. So I have decided to do more musical work, have to produce more music and musical films in all international music and OTT platform like Spotify, Deezer, Amazon Music, iTunes,

Soundcloud, etc, "Tawhid Zaman Ahmad said.
