

Ted J. Kulczycki, MD, an Internist with Advocate Aurora Health Care

Get to know Internist Dr. Ted J. Kulczycki, who serves patients in Aurora and Batavia, Illinois.

New York, New York City, Jun 11, 2021 ([Issuewire.com](https://www.issuewire.com)) - A specialist in the field of Internal Medicine, Dr. Kulczycki is in practice with Advocate Medical Group, operating out of the offices in Aurora and Batavia, Illinois. His special medical interests include adult primary care, geriatrics, diabetes, cardiology, hypertension, wellness, immunizations, on-site lab services, and X-rays.

Established by physicians in 1922, Dreyer Medical Clinic is now an affiliate of Advocate Health Care. With 170 physicians representing 28 medical specialties, Advocate offers a full range of ancillary services within its facilities and the support of more than 80 advanced practice providers. Based in the far west suburbs of Chicago, it has 13 convenient sites located in Aurora, Batavia, North Aurora, Oswego, Plainfield, St. Charles, and Yorkville. Partnering with Aurora health care in Wisconsin, Advocate Aurora Health now serves Illinois and Wisconsin with over 10,000 physicians and nurses, and Walgreens minute clinics.

One of the largest multi-specialty group practices in Illinois and Wisconsin, Advocate Aurora Health has a reputation for excellence in ambulatory critical care. Its vision is to provide the safest environment and best health outcomes while building lifelong relationships with the individuals, families, and communities served.

Educated in the United States, Dr. Kulczycki graduated with his medical degree from the Wayne State University School of Medicine in 1990. He then went on to perform his residency in Internal Medicine at Rush University Medical Center in Chicago in 1993.

Before long, he attained board certification in internal medicine through the American Board of Internal Medicine (ABIM). The ABIM is a physician-led, non-profit, independent evaluation organization driven by doctors who want to achieve higher standards for better care in a rapidly changing world.

Practicing medicine in Illinois, Dr. Kulczycki holds privileges at Northwestern Medicine Delnor Hospital, AMITA Health Mercy Medical Center Aurora, and Rush Copley Medical Center Aurora.

Internal medicine is the medical specialty dealing with the prevention, diagnosis, and treatment of adult diseases. Physicians specializing in internal medicine are called internists. They manage and prevent common and complex diseases by providing comprehensive care and promoting overall well-being.
