

The life of Patrizio Santo between music and fashion

Patrizio Santo combines music with fashion

California, Los Angeles, Jun 4, 2021 ([Issuewire.com](https://www.issuewire.com)) - "Music and fashion are daughters of the same sky", says Patrizio Santo, pop music singer-songwriter, who unites his two passions during his journey. He has collected many successes in recent years, including great international collaborations and awards, as well as having a unique and original sound, he decides to give a visual image to his songs so that he can wear his art. Patrizio Santo says: "Art is part of us, everything we look at, touch is art, even the nature that surrounds us, let's respect it!". Engaged in various collaborations, for experimental new styles, the singer is working on a great project, to continue to excite every moment of our life.
