The PPC Agency Turns One Year In 2021

United Kingdom, West Yorkshire, Jun 4, 2021 (Issuewire.com**)** - The PPC Agency, based in Leeds, West Yorkshire, celebrates its first birthday this year.

As the name suggests, the company is a Google Ads Agency, specialising in paid social media, search engine advertising, and Google ads.

During the first 12 months of trading, The PPC Agency has partnered up with multiple retailers across the globe, financial service providers, and independent artists and charities to help them drive qualified traffic through paid advertising across multiple channels.

This digital marketing agency currently has a team of 2 digital marketers, working on lead generation campaigns, retail promotion, and in the non for profit sectors.

"I'm very happy to see how much the company has achieved in just one year", says the founder of The PPC Agency. "and we look forward to what the future holds".
