

Top 5 Tabletop Board Games From Popular Board Game Designer Corey Konieczka

Get These Top Board Games by Corey Konieczka from GameNerdz - The Initiative, Star Wars: Rebellion, Twilight Imperium 4th Edition, Star Wars: Imperial Assault & Star Wars: Outer Rim

Oregon, Redmond, Jun 24, 2021 ([IssueWire.com](https://www.issuewire.com)) - Corey Konieczka is an American Board Game Designer, Writer, and Weirdo. He designed famous board games like Star Wars: Rebellion, Battlestar Galactica, Space Hulk: Death Angel, Eldritch Horror, and about a dozen of other games.

After working for almost 14 years at [Fantasy Flight Games](#), Corey started his own studio in 2019 called [Unexpected Games](#), which centered around innovative design.

The philosophy behind Unexpected Games arose from Konieczka's desire for a studio focused on innovation and idea incubation. "Our goal is to create games that are novel, fun, and accessible," he explains. "We hope to surprise people and create experiences that they've never had before. We are a small studio and plan to remain small to keep a personal touch. We look forward to sharing our unique vision with the board game community."

Unexpected Games is part of Asmodee North America, Inc.

Below are Top Board Games by Corey Konieczka

1) [The Initiative](#) (First board game from Unexpected Games) - \$47.97 (You save \$11.98)

A unique co-operative board game of story, strategy, and code-breaking — lets players take on the role of teenagers in 1994 who have found a mysterious board game called "The Key". Not only will they play The Key, but players will help the teens through a pivotal chapter of their lives by following a series of missions linked together via an interactive comic book.

The game's campaign is broken into a number of chapters, each taking 30-60 minutes to complete and each starting with you reading a page of the comic book. The story advances even if players fail a mission, but winning may provide a reward in the future. Each chapter builds on the knowledge and story from previous chapters, weaving narrative, code-breaking, and mystery into one thrilling game experience.

2) [Star Wars: Rebellion](#) - \$79.97 (You save \$19.98)

The last remnants of the Old Republic have been swept away, and the Empire rules the galaxy by fear. Its newly constructed battle station, the Death Star, is powerful enough to destroy any opposition.

Yet, there is a new hope. A brave few have chosen to stand against the Empire. From their secret base, these Rebels plot to overthrow the Empire and restore freedom to the galaxy.

Star Wars: Rebellion lets players reenact the epic conflict between the Galactic Empire and the Rebel Alliance. Take control of the Empire and unleash your military might to snuff out the Rebel's base, or begin a full-scale Rebellion focused on guerrilla tactics and sabotage.

To ultimately win the struggle, you will need more than just massive weapons of war. You will need heroes. These iconic characters can attempt secret missions to further your cause or undermine the opposition. Send Luke Skywalker to receive Jedi training on Dagobah, or have Darth Vader spring a trap that freezes Han Solo in carbonite! Will the Empire crush the Rebellion with one swift stroke? Only you can decide the fate of the galaxy.

3) [Twilight Imperium 4th Edition](#) - \$119.97 (You save \$29.98)

As the galaxy churns inexorably toward its violent future, the Great Races have begun to feed the flames that fuel their war machines. An epoch of great struggle threatens to engulf the galaxy once more as each faction races toward the desiccated seat of an ancient empire on Mecatol Rex to become the indisputable ruler of the stars. It is a time of steadfast alliances and bloody betrayals. Of words and of

war. Of deep-seated honor and hard-won glory. It is the dawn of a new era. For two decades, Twilight Imperium has thrilled gamers with its grand storytelling and tactical strategy. Now players can explore the next step in the Twilight Imperium legacy with Twilight Imperium Fourth Edition, an epic game of galactic conquest where players take command of one of seventeen unique civilizations to compete for interstellar supremacy through warfare, trade, uncertain allegiances, and political dominance. All of these races have many paths to victory, but only one will sit upon the throne of Mecatol Rex as the new masters of the galaxy!

4) [Star Wars: Imperial Assault](#) - \$79.97 (You save \$19.98)

Imperial Assault is an epic adventure board game in the Star Wars universe for 2-5 players. The mighty Imperial army and a cadre of deadly bounty hunters face-off against daring Rebel heroes in a series of tactical combat missions. Iconic characters like Darth Vader and Han Solo raise the stakes in the epic campaign. Each battle escalates towards a climactic final showdown between the Galactic Empire and the Rebel Alliance.

In addition, special head-to-head rules allow players to build armies and compete in standalone skirmish missions, recreating epic confrontations from the Star Wars saga or creating all-new battles!

5) [Star Wars: Outer Rim](#) - \$51.97 (You save \$12.98)

In Star Wars: Outer Rim, you and your friends take on the roles of bounty hunters, smugglers, and mercenaries and set out to make your mark on the galaxy. You'll travel the Outer Rim in your personal ship, hire legendary Star Wars characters to join your crew, and try to become the most famous (or infamous) outlaw in the galaxy!

Will you make a name for yourself by hunting bounties for the Hutts, stealing for the crime syndicates, or smuggling goods past Imperial patrols? All this and more is possible as you adventure through the outskirts of the known galaxy. Set your coordinates, gather your crew, and make the jump to hyperspace with Outer Rim!
