1) [Star Wars: Rebellion](#) - now \$79.97 (You save \$19.98)

The last remnants of the Old Republic have been swept away, and the Empire rules the galaxy by fear. Its newly constructed battle station, the Death Star, is powerful enough to destroy any opposition.

Yet, there is a new hope. A brave few have chosen to stand against the Empire. From their secret base, these Rebels plot to overthrow the Empire and restore freedom to the galaxy.

Star Wars: Rebellion lets players reenact the epic conflict between the Galactic Empire and the Rebel Alliance. Take control of the Empire and unleash your military might to snuff out the Rebel's base, or begin a full-scale Rebellion focused on guerrilla tactics and sabotage.

To ultimately win the struggle, you will need more than just massive weapons of war. You will need heroes. These iconic characters can attempt secret missions to further your cause or undermine the opposition. Send Luke Skywalker to receive Jedi training on Dagobah, or have Darth Vader spring a trap that freezes Han Solo in carbonite! Will the Empire crush the Rebellion with one swift stroke? Only you can decide the fate of the galaxy.

2) [Dark Souls: The Board Game](#) - now \$108.00 (You save \$12.00)

Dark Souls: The Board Game is a cooperative dungeon crawl board game for 1–4 players. To win the game, players must work together tactically to learn how to defeat enemies before finally confronting the boss. Players will find specific attack patterns and weaknesses of the enemies, but they will have to be careful. If a player's character dies, the game does not end, but starting over comes at a cost. Each time a character falls in combat, the whole party must return to the bonfire, and all enemies reset. Use your resources sparingly, learn quickly, and prepare to die.

3) [Twilight Imperium 4th Edition](#) - now \$119.97 (You save \$29.98)

As the galaxy churns inexorably toward its violent future, the Great Races have begun to feed the flames that fuel their war machines. An epoch of great struggle threatens to engulf the galaxy once more as each faction races toward the desiccated seat of an ancient empire on Mecatol Rex to become the indisputable ruler of the stars. It is a time of steadfast alliances and bloody betrayals. Of words and of war. Of deep-seated honor and hard-won glory. It is the dawn of a new era. For two decades, Twilight Imperium has thrilled gamers with its grand storytelling and tactical strategy. Now players can explore the next step in the Twilight Imperium legacy with Twilight Imperium Fourth Edition, an epic game of galactic conquest where players take command of one of seventeen unique civilizations to compete for interstellar supremacy through warfare, trade, uncertain allegiances, and political dominance. All of

these races have many paths to victory, but only one will sit upon the throne of Mecatol Rex as the new masters of the galaxy!

4) [Azul](#) - now \$31.99 (You save \$8.00)

Build a mosaic fit for a monarch!

Azul is a tile-placement game in which players compete for the highest score by claiming tiles and arranging them on their board to score points. Extra points are on offer for collecting sets of the same color of tile, or for creating particular patterns, while there are penalties for taking tiles that you're unable to use. But every tile that you claim affects what your rivals can take next. You'll have to make choices that help you without helping them too much!

5) [Secrets Of The Lost Station: Core Game & Miniatures Set](#) - now \$314.97 (You save \$135.02)

Secrets of the Lost Station is a cooperative game of sci-fi, action-adventure, and exploration, that is a highly detailed and unique sequel to Secrets of the Lost Tomb, set thousands of years into the future! With a new profoundly developed story and a thematic universe, extending the lore of the Secrets of the Lost Epic Saga, Secrets of the Lost Station will stand on its own, as a new Core Game, while also allowing players to expand upon the original Tomb-Crawling core game, now in space. Players assume the roles of the last surviving members of an over 4000-year-old secret society known as the Eternal Order of Perseus; with their perpetual mission: to face intergalactic dangers, seek out and collect alien artifacts of immense power, and to protect humanoids from the otherworldly powers in the fight against their mortal enemy, a primordial race known only as the Great Old Ones. An ancient race that exists only to feed upon the life force of planets... world-killers that must be stopped once and for all...

6) [Camel Up \(2018 Edition\)](#) - now \$27.47 (You save \$12.52)

In *Camel Up*, players bet on five racing camels, trying to suss out which ones will place first and second in a quick race around a pyramid. The earlier you place your bet, the more you can win - should you guess correctly, of course. Camels don't run neatly, however, sometimes landing on top of another one and being carried toward the finish line. Who's going to run when? That all depends on how the dice come out of the pyramid dice shaker, which drops one die at a time when players pause from their bets long enough to see who's actually moving!

This 2018 edition of *Camel Up* features new artwork, a new game board design, a new pyramid design, engraved dice, and new game modes, including crazy rogue camels that start the race running in the opposite direction! You never know how a race will end!

Each game are rated on how easy they were to pick up, how compelled we felt by the premise and how many times gamers found themselves returning for "just one more round". The ratings also looked at the quality and design of the board and pieces, and how well they held up with repeated plays.

A lot of these two-player board games can also accommodate three, four or more players if you wish, making them a valuable investment for when guests do come to visit and you want to expand your circle of competitors.
