

Total Recall present Seas Of Illusion

Italy, Milan, Jun 20, 2021 ([Issuewire.com](https://www.issuewire.com)) - The Milanese band **Total Recall** today releases the video of **Seas Of Illusion**, the second single from the album **Always Together** which will be released worldwide on **July 16, 2021**, by the Australian label **1054 Records**.

The pre-orders of the album are now available at the label's website, be sure to get your copy [HERE](#)

Regarding the single **Seas Of Illusion**, **Pigo**, the group's bassist, declares: '*Personally, I recognize*

myself in the lyrics of this song. I think it portrays the mood of many people in this moment of uncertainty. In the video, we gave our best to better perceive the energy of our performances. Having not yet had the opportunity to play live with this band, due to the pandemic, surely our videos are intended to express our attitude towards live performances.

Andy, frontman of the band, adds: *'The lyrics of **Seas of Illusion** are my favourite and it is also the one I prefer to perform live. I was thinking of a kind of mystical, bad dream when I wrote it and I think I managed to convey this kind of atmosphere'.*

Always Together has been recorded at the **SPVN Studios**, under the supervision of producer **Stefano "Orkid" Santi** - *Cripple Bastards, Forgotten Tomb, Hiss from the Moat* -.

Most remarkable about **Total Recall** is the deep personal friendship and respect between its founding members.

Vocals are performed by **Andrea "Ronda" Rondanini** - *Rise Above Dead, Crushed to Dust* -, while guitars are masterfully played by **Stefano "Stef" Anderloni** - *Face your Enemy, Die Trying, Traces of You, K-again* - and **Stefano "Bleed" Bigoni** - *Rise Above Dead, Thunder Brigade* -. Bass player **Luca "Pigo" De Simone** - *Embrace Destruction, Samaritan, K-again* - and drummer **Daniele "Danny" Calleri** - *Embrace Destruction, L'Oceano Sopra, Monalisabay* - take care of the rhythmic section.
