Take a listen to the engaging verses of music artist Gilesmusic's newly released song, 'Hold Up' which is presenting a new musical palate in the scope of hip hop.

**Columbus, Jun 12, 2021 ([Issuewire.com](http://Issuewire.com))** - Upcoming hip hop and rap artist **Gilesmusic** is ready to take his career to the next level of accomplishment. He recently came out with the single, '**Hold Up**' that presents a unique and immersive journey of modern-day hip hop chronicles. As the artist takes the audience through his universe of wordplays, themes, rhythmic assurance, and an incredible

production stream, he contributes more to the collective evolution of the genre. He is a storyteller and a rather spontaneous one who never shies away from expressing his inner mind. As a result, his straightforwardness and honesty comprise two of the most important elements of his music.

The artist hails from Columbus, Ohio, and approaches his music with a simplistic view. His musical style and creative humility also help the audiences relate to his content. The song '**Hold Up**' opens more scopes and opportunities in his career which he would gladly follow in his journey to the top. The artist designs his songs keeping in mind the current crowd. Hence, his soundscape is an admixture of the new age and old age school of hip hop and rap.

Music artist **Gilesmusic** is an upcoming rapper who is delivering some of the best flavors in the genre. Some of the other songs that have put him on the map of artists with unparalleled potential include 'Never', 'Why They Hate', 'Comeback Kid', and 'Undisputed' among many others. If you want to partake in his colossal soundscape of themes lyrics, and rhythms, make sure to follow his work on Spotify.
