

## Yash Chavda - Indian Musical artist

Artist

**Gujarat, Ahmedabad, Jun 5, 2021 ([Issuewire.com](http://Issuewire.com))** - Yash Chavda is an artist and YouTuber who currently resides in Ahmedabad, Gujarat. He has been associated with it since his school time. He was born on 20 September 2004 in Ahmedabad, Gujarat. He realized his bite; Capabilities; Decided to learn "Music" and is now able to establish himself as a professional musician. Learning new skills is not only an option but a habit. They can produce top genres like progressive trance, hip-hop, rap, and more. Undoubtedly, Yash Chavda is a golden genius from Gujarat. He believes in reaching greater heights as

he sees himself roaming all over the world and makes everyone dance to his tunes. Yash Chavda created a YouTube channel YouTube in 2019, uploading the song that was the first remix song on that channel. But after some time, he made hip hop music, the audience liked that music very much. Now, if you search for him on YouTube, you will see that his channel is verified as a music artist. Now you might wonder why did YouTube verify its channel as a music artist or give it a music note verification badge? Originally, Yash Chavda released its first soundtrack on SoundCloud in 2020, but after some time it officially released that track on Google Play Music, Hungama, Apple Music, YouTube Music, Spotify, JioSaavn, Napster, Deezer, Tidal, Released on music streaming platforms such as Resso, Boomplay, Amazon Music, Musixmatch, and many more. This is why YouTube has officially verified its channel as a music artist and has got verified badges on all popular music streaming platforms.
