

0th Annual Orange County Kickoff Classic Youth Soccer Tournament is one of the largest and best run youth soccer tournament

August 22nd the 20th Annual Orange County Kickoff Classic (OCKC) will take place in Irvine, CA. The OCKC is one of the largest best-run youth soccer tournaments in Southern California and the Western United States.

The OCKC brings the best value for your tournament dollars with free parking at all venues and average savings equaling \$250.00-\$300.00 per team. The OCKC prides itself with no coach conflicts, balanced brackets, use of Irvine's pristine soccer fields, cooler climate, great hotel selection, and diverse restaurant selection throughout the city. Registration is open and you can pay by credit card or check.

Prior to the 2020 Covid-19, we hosted 550 youth soccer teams. The first weekend is the girl's weekend and the second weekend is the boy's weekend.

You never know whom you might see on the sidelines at the OCKC. In past year's NBA Hall of Famer Kobe Bryant has been seen watching his daughters on the soccer field. Actor Will Ferrell has attended the OCKC several times to watch his son with the grandparents. Chris Klein, former MLS player and present President of the LA Galaxy has coached his son's team at the OCKC.
