

3 Remarkable Founders, \$77M raised from Sequoia, Y Combinator, & More: Season 2 of the Funded Podcast Debuts 7/27

California, Los Angeles, Jul 27, 2021 ([Issuewire.com](https://www.issuewire.com)) - Adamant Ventures, which provides essential fundraising advice to startup founders worldwide, has announced the Season 2 premiere of the [Funded Podcast](#) on July 27. Launch episodes feature 3 remarkable & diverse founders who collectively raised over \$77M from 18 investors, including Sequoia Capital, Kapor Capital, and Y

Combinator. Throughout the season, VC-backed founders share captivating stories, actionable insights, and tactical advice from their fundraising journeys.

Host [Jason Yeh](#), a former investor and Entrepreneur-in-Residence at Greycroft, and Co-Founder and CEO of Tape talks to Silicon Valley's stars about how they got strangers to bet on their grand visions in the fundraising gauntlet to get their venture off the ground.

Funded's primary audience includes founders actively raising capital or planning their fundraising. Funded guests demystify complex & often indecipherable fundraising advice while also offering an intimate first-hand look into their experiences that benefit even the most seasoned founders.
