

Announcing early speaker confirmations at Green Hydrogen Middle East conference

Green Hydrogen Middle East is delighted to announce its early speaker confirmations for their upcoming online conference scheduled on August 24-25, 2021.

United Arab Emirates, Dubai, Jul 16, 2021 ([IssueWire.com](https://www.issuewire.com)) - [Green Hydrogen Middle East](#) is delighted to announce its early speaker confirmations for their upcoming **online conference** scheduled on **August 24-25, 2021**.

The two-day online event will feature **10 live sessions** focused on projects, business models, policies, regulations, and investment frameworks in addressing production, storage, transport and export of green hydrogen in the Middle East.

Highly accomplished in their lines of work, energy sector and region, our speakers will deliver carefully curated presentations, case studies and share insights on possibilities, potential and challenges in unlocking the hydrogen economy.

Our early speakers include:

(in alphabetical order)

- Ali Ahmed Ali, Energy Economist, International Cooperation and Agreements Office, Ministry of Electricity and Energy, Egypt
- Nawal Alhanaee, Acting Director of Future Energy Department, Ministry of Energy & Infrastructure, UAE
- Mohammed Al Taani, Secretary General, Arab Renewable Energy Commission (AREC)
- Valeria Aruffo, Director External Relations, Dii Desert Energy
- Gabriel de Lastours, Regional Head, Energy SEMED Sustainable Infrastructure Group, European Bank for Reconstruction and Development
- Shiva Dustdar, Head of Division, Innovation Finance Advisory, European Investment Bank
- Alicia Eastman, President, InterContinental Energy
- Tariq Hamane, Head of Development Department, Morocco Agency for Sustainable Energy (MASEN)
- Dr Badr Ikken, Director General, IRESEN, Morocco
- Shital Gandhi, Senior Specialist, Projects, Petrochemicals Business Division, Abu Dhabi National Oil Company (ADNOC)
- Suhail Shatila, Senior Energy Specialist Strategy, Energy Economics & Sustainability (SEES), APICORP (Arab Petroleum Investments Corporation)
- Dr Manal Shehabi, Supernumerary Research Fellow, OIES KFAS
- Peter van Ees, Business Development Hydrogen & Energy Transition, ABN AMRO Bank N.V
- Reggy Vermeulen, CEO, Port of Duqm-Oman
- Jonathan Walters, Former Director, World Bank's MENA Department & Senior Associate at E3G
- Frank Wouters, Chairman, MENA Hydrogen Alliance

DLA Piper is the sponsor of the conference. The event is being supported by **MENA Hydrogen**

Alliance, Clean Energy Business Council (CEBC) and Middle East Gases Association (MEGA).

The conference is being organized by **Global Transmission Report** in association with **RE Global**.

[Global TransmissionReport](#) is a leading provider of information and analysis on the global electricity transmission industry. [REGlobal](#) provides high-level analysis and perspective on renewable energy issues that are of interest and relevance to CXOs working with energy developers, electricity utilities, technology providers, investors, regulators and policymakers.
