

Beacon Fest Is A Proposed Annual Festival And Concert

The Beacon Festival is a proposed annual festival and concert to hold at the Landmark Beach, Lagos state for folks within and outside the state. The concept is to use entertainment post-Covid as a medium to promote oneness and ease people back

Lagos, Lekki, Jul 18, 2021 (Issuewire.com) - The Beacon fest has been designed to be a family event for everyone. When last have you had a family day out, with friends? and family? Well now is the time we guarantee a fun day for everyone in an environment that is fully secure, covid compliance and lots to entertainment, plenty to eat and drink too.

This is also an opportunity to shop from your favorite brands and meet your sought-after artist. Our brands will interact with you. (Ever thought of the company behind a product and its story? Just make it a date with us and our entertainment fairy

Make it a date with us.
