Maharashtra, Mumbai, Jul 22, 2021 (Issuewire.com) - [Dr A. Kumarswam's Lalitha Dental Clinic](#) was opened on 1st January 1981, as the clinic is in the throes of entering its fourth decade of service and excellence, Dr. Kumarswamy is ably joined by his son Dr. Akshay and his daughter-in-law Dr. Aparna. The Clinic strives to deliver world-class oral health to our patients using the best restorative, cosmetic and preventive dentistry treatment options coupled with accurate diagnosis and treatment planning.

The clinic is named after his beloved mother, who has been a source of strength, motivation & inspiration for Dr. Kumarswamy since his childhood.

It was the culmination of a long-cherished dream, where he could put into practice his skills and his passion for excellence and service. Starting from his very first patient, who happened to be his own grandmother, the clinic has provided relief & comfort to over 20,000 patients from all over Bombay, the rest of India as well as around the world.

Today, as the clinic is in the throes of entering its fourth decade of service and excellence, Dr. Kumarswamy is ably joined by his son Dr. Akshay and his daughter-in-law Dr. Aparna. We are continuously striving to deliver world-class oral health to our patients using the best restorative, cosmetic and preventive dentistry treatment options coupled with accurate diagnosis and treatment planning. With the advent of newer technology, materials, and treatment options, we believe in offering only the very best to our patients. We hope you will continue to place your valuable trust in our care.
