

BETA MALES Are TRENDING @Twitter.com

" Join the Discussion "

California, Los Angeles, Jul 6, 2021 (Issuewire.com) - 2021 will be a redefining year as to what type of men will be considered *America's Most Wanted* as it pertains to the dating scene.

It has long been publicized that the most desired male was *The Alpha Male* - but in recent years the tide has shifted due to the advancements of modern women.

This has placed the spotlight on *The Beta Males* - which have always been considered the runners-up when it came to dating.

But now the female population is beginning to take more interest in these *mysterious guys* and because of this newly created Twitter page [@ACTmanTHINKlady](#)

The world will get an exclusive look into the mind and personalities of the most *misunderstood* men on the planet.

And all the competition will get a chance to see what the hype is all about.
