

## Blocto drops their first NFT for free with xtingles on Aug 3.

The first ASMR NFT is dropping for free to all Blocto users!

**Singapore, Singapore, Jul 30, 2021 ([Issuewire.com](https://www.issuewire.com))** - xtingles is creating Blocto's first-ever NFT debuting at the First Mint Fest, a 3-day online NFT festival full of streams, panels, and prizes, presented by Dapper Labs & NBA Top Shot from August the 3rd to 5th. This iconic NFT incorporates ASMR aspects of soft relaxing sounds of the ocean tied into Blocto's homage to the Bloctopus.

Having recently closed out an \$8M fundraise with some notable investors, including Animoca Brands, Dapper Labs CEO Roham Gharegozlou, and Alameda Research, Blocto is an integrated cross-chain wallet service that enables users and developers to interact with cryptocurrencies, dApps, and NFTs frictionlessly.

“We here at portto/Blocto aim to bring our users a new NFT experience. xtingles & its iteration of ASMR NFT is one of a kind and we are thrilled to be giving out our ASMR NFTs. We hope this gift opens you to the limitless possibilities with NFTs!” - portto/Blocto, CEO, Hsuan Lee.

### Announcement:

Blocto is dropping a commemorative ASMR NFT to all Blocto users for free during the 3-day NFT festival: First Mint Fest. This inaugural event will be xtingles' and Blocto's first NFT release to celebrate Blocto's story. The B stands for Bloctopus, while the tentacles branch into all types of crypto and DeFi. Like waves in the ocean, you can float effortlessly through your cryptocurrency experience.

Blocto is a fast and seamless mobile app to buy and sell your favorite cryptocurrencies and NFTs.

## About the xtingles and Blocto NFT:

This collaborative NFT between Blocto and xtingles presents a serene oceanic landscape. Working closely with the Blocto team, xtingles has crafted an environment with themes and elements that inspire both brands.

The surfacing icon showcases the aspect of freedom through weightlessness.

Paired with the calming environment and soothing ASMR soundscapes crafted by the xtingles team, the NFT exudes the calming quality of ASMR. Playful tentacles hint at 'Bloctopus'; Blocto's broad reach into all types of crypto, DeFi, and NFTs.
