

Chandan Gupta - Meet One Of The Top Influencer & YouTuber From Lucknow Winning Hearts Of Many With His Fantastic Videos

Chandan Gupta Is a YouTuber & Internet Content Creator From India

Uttar Pradesh, Lucknow, Jul 5, 2021 ([IssueWire.com](https://www.issuewire.com)) - Chandan Gupta is an influencer & video creator who has a huge fan following on his social media accounts like Facebook, Instagram, and most importantly YouTube. YouTube has given a lot of opportunities to the youngsters to use their artistic creativity and innovative skills to make videos and create content that reaches out to the younger generations.

Chandan Gupta's motivation comes from the world around him and he is a very strong-minded person who can go through difficult situations no matter what. It is a skill that is not acquired over time by force but through experience. He has experienced life on a deeper level and therefore brought this out into the videos that he makes on YouTube. The role of an influencer is to be a person who is an all-rounder and very skilled in a variety of fields like creating art, being humble, having an open mind, and so on. Provided these things, Chandan Gupta quite popular for his creative style of work. He is generally a fun-loving person and most of the time people like to watch his videos whether it is to spend some time or uplift their moods.

Talking about the social media rise and opportunities, Chandan Gupta said “Digital rise has given opportunities for newer applications which give the aspiring candidates more options. Naming a few who have been able to create a niche for themselves are Ajey Nagar, Amit Bhadana, Ashish Chanchalani and many more have been an inspiration. Influencers can have a significant impact on a brand’s reputation. This is an entrance of the new career option which has proved to be a welcoming one.”

Chandan Gupta loves YouTube but to be honest most of the boomer and millennial culture is quite against it. They have their reasons. However, people are entitled to enjoy whatever they want without being judged. Chandan pays no heed to such criticism, and most of the time considers being himself because he knows that he does what he likes to do. Any external factor should be affecting him in any possible way. His family and friends are very kind and generous which is something to flex on and also learn from.

Most of his videos go viral and some of them even bag more than Million views on them. Today he has more than 50k subscribers on YouTube when he is so young and not even completed his nineteen.
