

Christopher A. Durham, MD, Vascular Surgeon

Get to know Dr. Christopher A. Durham, MD, a vascular surgeon serving Pasadena, Texas.

New York, New York City, Jul 20, 2021 ([Issuewire.com](https://www.issuewire.com)) - Dr. Christopher A. Durham is a vascular surgeon serving Pasadena and the surrounding communities at Flow Vascular Institute.

Flow Vascular Institute is one of the leading vascular practices in Southeast Texas with Board Certified Vascular surgeons staff. Their highly-skilled vascular surgeons are seasoned professionals with experience in the most progressive, cutting-edge vascular care.

Dr. Durham received his Doctor of Medicine (MD) from the University of Texas Medical School. He went on to complete a residency at East Carolina University and a fellowship at Massachusetts General Hospital. As a vascular surgeon, Dr. Durham specializes in treating patients with dialysis vascular access needs as well those patients with lower extremity peripheral arterial disease.

Dr. Durham is board certified by the American Board of Surgery (ABS). The ABS is an independent, nonprofit organization founded in 1937 to provide board certification to individuals who have met a defined standard of education, training, and knowledge in the field of surgery. Surgeons certified by the ABS, known as diplomates, have completed at least 5 years of residency training following medical school, met all ABS training requirements, and successfully completed the ABS examination process.

Dr. Durham currently serves as the Chief Medical Officer at the Flow Vascular Institute. A position he has held since 2017.
