

Dr. Christine Kozachuk gets an award in her name

North Carolina, Charlotte, Jul 14, 2021 ([Issuewire.com](https://www.issuewire.com)) - iChangeNations has selected Dr. Kozachuk to have an award in her name. “Dr. Christine Kozachuk Her Right Award” Her Right definition is it’s her right to freedom and equity worldwide from birth till death. A definition that Dr. Kozachuk created herself. According to its CEO and World Civility Spokesperson, Sir Clyde Rivers, he states he endorses the definition of her right. The definition of her right as a world civility definition for her rights around the world.

The launch of this award took place on 13th March 2021 on International Every Girl Wins Day.

Dr. Christine Kozachuk states it's an honor to receive this award in her name. Her right is to appreciate that we all deserve freedom and equity worldwide from birth till death.
