## Eternus

**Philippines, Western Visayas, Jul 12, 2021 ([IssueWire.com](https://www.issuewire.com))** - Out of hundreds of enterprises, Beststartup.Asia chose Eternus Global as one of the Top 101 Marketing Firms in the Philippines on June 4th, 2021.

Beststartup.Asia was built to look for businesses of all sizes in the Philippines, from cutting-edge startups to well-known brands. As a result, businesses were chosen based on their exceptional accomplishments in innovation, management, growth, and societal impact.

Along with Eternus Global, other well-known companies in the Philippines, like Jollibee Food, Petron Corp., and DSV Digital Management Corporation, were also featured on the list.

Eternus Global is a software development and digital marketing business that offers high-quality services to clients, according to the firm, their services are the first step toward modernization, not the final goal.

Eternus Global Company LTD's Managing Director, Dr. Marie Gabrielle L. Bedia, thanked Beststartup.Asia and Fupping LTD for choosing Eternus Global as one of the Top 101 Philippines Marketing Companies. Eternus Global and its employees will continue to provide clients with a complete and practical approach to website design, digital marketing, and medical research, she added.

Beststartup.Asia is also the world's top authority on Asian business, optimizing foreign investment in Asian companies and startups by linking the globe to the finest Asian firms, enterprises, and innovations.

Dr. Bedia went on to say that her team would continue to work hard to enhance the quality of their services to maximize their company's development potential and get a reputation from other businesses. She also commended the other industries represented on the Top 101 Marketing Companies in the Philippines list.
