

George M. Varkarakis, MD, FACS, a Plastic Surgeon at GV Plastic Surgery

Get to know Plastic Surgeon Dr. George M. Varkarakis, who serves patients in Miami, Florida.

New York, New York City, Jul 21, 2021 ([Issuewire.com](https://www.issuewire.com)) - Dr. Varkarakis is an award-winning plastic surgeon working with GV Plastic Surgery in Miami, Florida. He specializes in a wide range of surgical

and non-surgical treatments of the face, breast, and body with a focus on bone and soft tissue reconstruction. His current subspecialties include aesthetic/cosmetic, pediatric craniofacial, facial plastic, and reconstructive surgery.

"I take pride in the quality of my work and helping my patients achieve all their beauty goals; providing them with all my knowledge and the best of my interest at heart," states Dr. Varkarakis.

Born and raised in Greece, Dr. Varkarakis attended the University of Athens in Greece and obtained his medical degree in 1997. *"His Greek upbringing and love of art and life instilled in him a dedication to his patients. He spent years of his medical training refining his reconstructive skills and expertise specializing in both bone and soft tissue reconstruction"*, Dr. Varkarakis is affiliated with the American Society of Plastic and Maxillofacial Surgeons.

Following his training, he attained board certification in plastic surgery and craniofacial surgery through the American Board of Plastic Surgery (ABPS). Placing an emphasis on compassionate and comprehensive patient care, she is a Fellow of the American College of Surgeons (FACS).

According to his website, *"Dr. Varkarakis has acquired respect and renown through his years of work in aesthetic and reconstructive plastic surgery. His broad experience in the surgical field and the many patient interventions he has undertaken have earned him a solid reputation among the global community of plastic surgeons."*

Plastic surgery is a surgical specialty involving the restoration, reconstruction, or alteration of the human body. It can be divided into two main categories: reconstructive surgery and cosmetic surgery. Reconstructive surgery includes craniofacial surgery, hand surgery, microsurgery, and the treatment of burns.

Dr. Varkarakis was listed among the Top Surgeons in America by the Consumers' Research Council of America. He was also honored with the Patients' Choice Award for 2014 from Vitals.com. Considered one of the best plastic surgeons in Miami, Dr. Varkarakis loves spending his spare time with his wife and son. He enjoys playing soccer, swimming, ping pong, and skiing. Dr. Varkarakis is also an art and museum enthusiast.
