

Get Through an Amazing Musical Journey With Jasir Love and his Latest Tracks ‘Melting’ and ‘The Great Escape’

Get mesmerized in the poetic verses and a captivating rapping style with Jasir Love and his musical representations like, ‘Melting’ and ‘The Great Escape’.

Las Vegas, Jul 15, 2021 ([Issuewire.com](https://www.Issuewire.com)) - Poetic verses and a sublime musical arrangement have united in the latest tracks by **Jasir Love**. The artist is creating a new root in hip-hop music with his creativity and individuality. He has recently released a banger named '[Melting](#)' which is currently buzzing at the epitome of the music industry. Jasir has an eclectic style of rapping which hits hard to clarity and grit. Strength during bars is quite intense that deals with the subject matter of different experiences of life. A minimal sound design provides enough creative space for the artist to meander through with his slow and spacious verses. His indulgent lyrical flow is capable of captivating everyone.

Last year, this artist released another track named '[The Great Escape](#)' which is the first milestone of his musical career. Featuring the brisk moves of hip hop and an intoxicating vibe, this track makes an unapologetic approach with catchy wordplay. Fun and humble, each of the tracks by this artist is quite impactful. He is greatly inspired by Drake, Lil Wayne, Wiz Khalifa, Michael Jackson, The Fray, The 1975, Glass Animal, and many other artists and bands. As a result, a dynamic sense of different genres can be found through his singles.

Hailing from Las Vegas, this artist is looking forward to dropping more singles in the coming days and has been already working on it. '**The Great Escape**' and '**Melting**' have already proved what the artist is capable of. The listeners are eagerly waiting for more surprises.
