

Get Through an Amazing Musical Journey with MUD AUDIO VOODOO And The Latest Track 'Useless'

Up-and-coming Italy based musician and producer MUD AUDIO VOODOO is making the listeners engrossed to the latest musical representation, titled 'Useless'.

Angrì, Jul 18, 2021 ([Issuewire.com](https://www.issuewire.com)) - Pouring down clarity, creativity, and musical black magic, **MUD AUDIO VOODOO** has come up with the latest track, '[Useless](#)'. The track is deftly produced with both digital and analog elements of music. There are blistering guitar chords along with distortion and bass which are supported by the organic drums and a subtle dose of digital beats.

Catchy and dynamic, this track is creating a bridge between the past and the modern. The finely calibrated musical arrangement churns out the flavors of rock along with an indie essence to it. The vocalist has done a great job with her amazing meandering female vocals. Emotive lyrics and masterful singing make this single a masterpiece and new addition to the collection.

This [Italy based musician and producer](#) is keeping his name out there all over the world with his musical creativity and a great sense of original music. The musical project started back in 2015 with no infrastructure, budget, or equipment; but the sheer will to create something unique. The artist has released several EPs and albums like, 'Love Head', 'Stronger', 'Voodoo Melodies', 'Do What You Love', 'Dance with Me', 'Sun Goes Down', and the list keeps continuing. Each of them is packed with several other exquisite singles that captivate listeners. His single 'Away from This' garnered a lot of attention by ranking 12th in the European indie chart.

The artist incorporates various electronic improvisations along with organic music which creates a smooth blend of enjoyment. The latest track '**Useless**' is the greatest example of the artist's musical artsy sprawls through the sound design and subject matter. The artist is looking forward to releasing his upcoming album in October of this year and the listeners are eagerly waiting for it.
