

HROne Launches in India #HROnekalPL

Uttar Pradesh, Noida, Jul 7, 2021 ([Issuewire.com](https://www.issuewire.com)) - HROne has introduced HROnekalPL as a part of the employee engagement campaign. HROneKalPL is a unique initiative as this prediction tournament is being organized across the organizations. With the beginning of IPL HROne decided to introduce its own initiative under the campaign of employee engagement. It is the first one of its kind initiative which provides the employees of the organization to participate and win amazing prizes. Shelly Mittal, Brand Manager of HROne has hinted at this as a successful event for the employee engagement campaign.

HROne has made sure to impart zeal as soon as an employee logs in to their HROne account.

The employees using HROne receive a pop-up message to predict the winner of the upcoming IPL match. With correct predictions, the employees keep rising up the leaderboard. The employees leading the scoreboard with predictions win rewards every week.

Employees leading the leaderboard with the highest number of predictions are receiving Oneplus fitness band and the winner at the end of the season will be receiving Bose speaker as the champion of HROneKaIPL.

The buzz has created a lot of positive impacts. As the very first HCM solution to organize an inter-organization event HROne has set an example for cross-team collaboration. It has spread optimism during such a crucial time. HROneKaIPL has received appreciation from all around the country. Employees have taken to Facebook and LinkedIn to applaud the campaign and even shared their opinions. . This initiative has solely been managed by the organization.

This step has established HROne firm belief in spreading happiness.
