

Join an alternative musical journey with The Rockstar Cat and his latest musical representations

Featuring smooth vocal skills and brilliant production, The Rockstar Cat has come up with his latest tracks like, 'Adrift With You', 'Zeros and Ones', etc.

Palm Beach, Jul 1, 2021 ([IssueWire.com](https://www.issuewire.com)) - Following an alternative musical arrangement and lyrical vibrancy, upcoming artist **The Rockstar Cat** has come up with his latest singles to impress the listeners. A subtle dose of his individuality is present in each of his tracks. The track '**Adrift With You**' is currently buzzing in the industry with amazing sound design and vocal skills. Organic musical

arrangement churns out retro vibes which are improvised with alternative electro vibes. Eddie Khoriaty has paired up with the artist to make this track a complete masterpiece. Eddie is also the songwriter of this track. This track has released under the label of Green Boy Studio.

The creativity is quickly followed in another track, titled '[Zeros and Ones](#)'. Just like the title suggests, the artist has portrayed the binary elements of life through this track with is complemented by a dicey musical arrangement. The beats and grooves offer a major hook which is further carried by the artist's vocals. His raspy vocal tone adds a potential layer of warmth that sprawls through the soundscape. Perfectly nourished with alternative flavors this track is also able to create a notch on the listener's mind.

Gibson **The Rockstar Cat** is a versatile guitar player and songwriter from Delray Beach who is captivating listeners with his skills. Other than '[Adrift With You](#)' and '**Zeros and Ones**', he has also released 'You're An Imposter', 'What Might Have Been', 'No Chains', 'I Remember That', etc to name some. With prolific skills and musical consistency, the artist is gaining at full throttle through the industry. Follow him on Spotify to listen to his music.
