

Judy Wu, MD, a Family Physician with Abrazo West Campus

Get to know Family Physician Dr. Judy Wu, who serves patients in Goodyear, Arizona.

New York, New York City, Jul 7, 2021 ([Issuewire.com](https://www.issuewire.com)) - Dr. Wu is a trusted family physician who works as a hospitalist at Abrazo West Campus, where she serves as Vice Chief of the Medical Staff. Some of the conditions that she treats include chest pain, cerebrovascular disease, asthma, arrhythmia, COPD, hypertension, fluid & electrolyte disorders, pneumonia, kidney failure, and vertigo.

Abrazo West Campus is an acute-care community hospital located in Goodyear, Arizona, United States.

It is “part of the Abrazo Community Health Network chain of hospitals” and has “earned a state designation as a Level 2 Trauma Center.” The hospital receives approximately 55,000 emergency patients annually.

Originally from Taiwan, Dr. Wu graduated with her medical degree from St. Matthew’s University School of Medicine in the Cayman Islands in 2009.

Thereafter, she attained board certification in family medicine through the American Board of Family Medicine (ABFM). The ABFM is a non-profit, independent medical association of American physicians who practice in family medicine and its sub-specialties.

Family medicine is a medical specialty devoted to comprehensive health care for people of all ages. The specialist is called a family physician or family doctor. A family physician is often the first person a patient sees when seeking healthcare services. They examine and treat patients with a wide range of conditions and refer those with serious ailments to a specialist or appropriate facility.

Happily married, Dr. Wu lives in Arizona with her husband and their two daughters. She and her spouse have made charitable donations for their church, the Pratham Gala, and the FUEGO foundation in which both provide funds for education in the underserved areas of primarily India, Guatemala, as well as many other countries around the world.

They have provided local funds toward Arizona Community Foundation’s School Tuition and Arizona Helping Hands. Dr. Wu was honored to do her very first dance performance at the National Kidney Foundation of Arizona’s 2018 Dancing with the Stars Arizona, promoting health awareness and in remembrance of a couple of close family members that passed away from kidney failure.
