Get to know Nurse Practitioner, Kathryn Baxter, who serves patients in Lake Havasu City, Arizona.

New York, New York City, Jul 16, 2021 ([IssueWire.com](https://www.issuewire.com)) - Kathryn, a nurse practitioner, is currently serving as a hospitalist at Havasu Regional Medical Center.

Havasu Regional Medical Center is a Joint Commission-accredited, Medicare-certified 171-bed hospital located in Lake Havasu City, Arizona. As a community hospital and a regional referral center for healthcare, it offers a broad and comprehensive scope of services in major medical disciplines. A medical staff of more than 33 affiliated physicians represents a broad cross-section of expertise in 31 medical specialties.

Graduating with her nursing degree from Grand Canyon University in 2019, Kathryn is a member of the American Nurses Association and the American Association of Nurse Practitioners.

A Nurse Practitioner (NP) is an advanced practice registered nurse and a type of mid-level practitioner. NPs are trained to assess patient needs, order and interpret diagnostic and laboratory tests, diagnose disease, as well as formulate and prescribe treatment plans.

On a more personal note, Kathryn attributes her success to her patients and the fact that they draw out the natural caregiver in her. In addition, her unquenchable curiosity has led to her desire to learn more, resulting in her achieving greatness.
