

Listen to the New Song 'Mood' by Upcoming Artist Isaac Leo that Presents a Rolling Course of New-Age Music

The song, 'Mood' by music artist Isaac Leo presents a beautiful course of modern-day sagas across the scope of different genres such as pop, reggae, and hip hop.

Montgomery Village, Jul 14, 2021 ([Issuewire.com](https://www.issuewire.com)) - Upcoming music artist **Isaac Leo** is presenting a blended dimension of musical expertise with his newly released track, '**Mood**'. He released the track in collaboration with fellow artist Alanna Love that beautifully transcends the scopes of various genres. The artist presents the traditional rhythmic flow of reggae while imparting

modern-day production styles in his pop and hip hop articles. The artist combines the various formats and genres into an immersive and captivating style. The song also captures the sultriness and glamor of pop while retaining the rhythmic pace of old-school reggae. His experience of a decade in sound production and engineering also adds an edge of diversity to his music.

The upcoming artist's soundscape is a genre-bending course that defies the standards of music. Artist **Isaac Leo** is spontaneous in his compositions and themes. The song, '[Mood](#)' recreates a new style of music altogether that is set to culturally reform the globe. The independent artist extracts his inspirations and influences from all over and makes his music with an identity. From the opening line of the song, the audience is drawn to its creative and artistic flow allowing an effortless guide into the premises of inspiration and motivation. Both artists present an exceptional performance as they put their best foot forward in enabling a rolling saga of themes and lyrics. From the production down to the small intricacies, the song presents a mood in itself.

Some of his other songs include 'Sand In My Vans', 'Keep Going', 'Safe', and 'Through The Fire'. Hailing from Montgomery Village, Maryland, his fondness for music started at an early age that soon developed into a career. The new song is the first single from his upcoming EP set to release this month. For more, follow him on Spotify, Soundcloud, [YouTube](#), [Facebook](#), [Instagram](#), TikTok, and his official website.
