

New Family Owned, Husband & Wife Duo, Medical Courier Service

Offering Same Day & Next Day Medical & Specimen Delivery

Virginia, Richmond, Jul 26, 2021 (Issuewire.com) - When it comes to medical deliveries, JVG Medical Logistics will go above and beyond your expectations.

They are a family-owned and operated, medical logistics and courier company that specializes in Same Day, Super STAT, and Next Day Economy deliveries.

They assist with the transport of lab work, specimens, Covid-19 specimens, documents delivery, prescription pick-up and delivery & MORE!

The goal of the business is to serve not only the medical practice and labs but also the patients.

JVG Medical Logistics are HIPPA and Bloodborne Pathogen (BBP) trained and certified.

"Privacy and safety are on the list of our TOP priorities. We also understand that prompt service and information can save lives, and we are proud that our company can be a part of that " states company co-owners, Jarvis & Vernetta Green.

If you're looking for a courier service that will treat every delivery with care and dedication, contact The Green Family at JVG Medical Logistics.
