

Nixon Gwilt Law Welcomes NY-Presbyterian Veteran Casey L. Papp, Esq., to Firm

A telemedicine pioneer, Papp's experience will help healthcare companies optimize telehealth reimbursement and maintain compliance

Virginia, Vienna, Jul 29, 2021 ([Issuewire.com](https://www.issuewire.com)) - Casey L. Papp, Esq., joined Nixon Gwilt Law (NGL)

as Senior Healthcare Innovation Counsel on July 28, 2021. Prior to joining NGL, Papp served as both a member of the Compliance and Privacy team and as a Digital Health, Regulatory, and Quality Performance Specialist for the fourth-ranked hospital in the US, NewYork-Presbyterian. Her expertise in supporting the development and expansion of innovative care models will be put to work serving NGL's health system and digital health clients from her office in New York.

Papp blends her compliance background and experience building quality improvement solutions to find creative answers to healthcare's most unique problems. Her specialties include digital health, telehealth/telemental health, reimbursement, provider licensure and scope of practice, accreditation, informed consent, and HIPAA privacy. She earned her Juris Doctorate from Western New England College School of Law in 2012 and her Certificate in Hospital and Health Law in 2016. Papp is a member of the New York Bar Association.

NGL seeks attorneys who are forward-thinking, tech-savvy, and entrepreneurial, just like their clients. Casey Papp fits this description to a T, and she'll be a valuable asset in working with novel and disruptive healthcare and life sciences companies seeking to transform how people receive and experience healthcare.

NGL Managing Partner Carrie Nixon, Esq., says, **"Casey's experience implementing multiple remote patient monitoring programs at NewYork-Presbyterian, a prestigious health system, makes her a valuable addition to our virtual care management practice group. Beyond that, her broader knowledge and interest in healthcare innovation will be an asset to the Firm as a whole."**

Papp adds, **"I am most excited about having the opportunity to support innovators make dynamic changes to healthcare. I am grateful to be able to do this work while learning from such a collaborative, experienced, and team-focused group of colleagues."**

With her experience in implementing telehealth for a health system as large as New York-Presbyterian—where she supported the safe delivery of virtual care to over a million patients—Papp will be able to help healthcare businesses of all sizes expand virtual care options and access for people all over the US.
