

Now you can apply for your VEGAN WINES Trademark Certification of "Soil to Your Glass".

Get your "VEGAN WINES" registered trademark on the back of your wine label.

California, Santa Rosa, Jul 18, 2021 ([IssueWire.com](http://www.IssueWire.com)) - Yes, you read right, Frances Gonzalez, founder, and owner of [Vegan Wines](http://www.VeganWines.com), a small business that provides vegan wines that are naturally sustainable, organic, or vegan biodynamic, that are also free from chemicals & additives to their customers now wants to make vegan wines from all dedicated wineries accessible to everyone.

Frances says "Having our TM on the back of your wine label means your wines will be recognized globally as VEGAN."

Coamo Dreams Distribution LLC is now offering registration, Trademark Certification (TM). The title Certified "VEGAN WINES", which means "that an individual winery has acquired through verification, the knowledge and the level of expertise that is demanded within the "VEGAN WINES" (TM) guidelines of no added animal products from the soil to the bottle."

It's simple and low-cost. To get started, just fill in your information on the form [Vegan Wines Trademark Registration](#). Our verification team will be assigned, and contact you to complete the process.
