

Presenter of The Wine Show, Joe Fattorini takes over Brum Radio

United Kingdom, West Midlands, Jul 20, 2021 ([Issuewire.com](https://www.issuewire.com)) - *Presenter of Amazon's Wine Show, Joe Fattorini takes over Brum Radio*

This week: Brum Radio Takeover Show comes with a serving suggestion.

On Saturday 24th July at 3 pm UK time, the Brum Radio Takeover Show will be hosted by one of the UK's leading wine merchants and presenter of Amazon Prime's The Wine Show, Joe Fattorini.

The Brum Radio Takeover Show is an all-new show where a guest host takes over the Radio Station for one hour, sharing their own personal musical influences. Past guests have been composers, authors, and broadcasters including Sacha Puttnam, Bibi Lynch, and Mike Parker.

Join Joe Fattorini for an hour of food adventures and celebrity encounters, while he plays some of his favourite music, including tunes from Adam and the Ants, Half Boy Half Biscuit, and The Cure.

Listen live to The Brum Radio Takeover Show on brumradio.com or on your smart device.

ABOUT BRUM RADIO

Brum Radio is Birmingham's independent radio station broadcasting 24/7 online with a fresh mix of Music, Arts, and Conversation. brumradio.com/takover-show

ABOUT JOE FATTORINI

Wine expert, presenter, writer - Joe Fattorini is known around the world as "Obi Wine Kenobi", the expert presenter on The Wine Show. But if you've enjoyed wine somewhere between Wick and Whitstable in the UK, Joe was probably involved too. For the last 20 years, Joe has sold wine to restaurants, hotels, bars, and celebrity weddings as one of the UK's leading wine merchants. Today Joe guides 250 million viewers in 107 countries through The Wine Show, as well as wine lovers at sea as an ambassador to Celebrity Cruises. <http://joefattorini.com>
