

Ramine Nabizadeh, DDS, a Dentist with Midtown Dental - The Gallery of Smiles

Get to know Dentist Dr. Ramine Nabizadeh, who serves patients in Houston, Texas.

New York, New York City, Jul 7, 2021 ([Issuewire.com](https://www.issuewire.com)) - Dr. Nabizadeh is a premier cosmetic dentist at Midtown Dental - The Gallery of Smiles in Houston, Texas. From orthodontics to dental implants to cosmetic dentistry to general dentistry, he customizes his patients' treatment to achieve desired results for each individual.

Midtown Dental - The Gallery of Smiles is a Houston-based family dentist practice that treats patients of all ages in a comfortable and relaxed environment. Dr. Nabizadeh and his staff are committed to delivering the highest quality dental care and do so using advanced dental equipment. They offer services like checkups, teeth cleaning, crowns, veneers, and more. They also perform emergency dentist services that include bonding, root canals, crowns, and bridges.

Educated in the United States, Dr. Nabizadeh graduated from the University of Houston with a double major and went on to graduate with his Doctor of Dental Surgery degree from UTHealth School of Dentistry in 1995. He is also a graduate of the prestigious Las Vegas Institute (LVI) for Advanced Dental Studies where continuing education and advanced dental instruction are a priority.

Every year, he keeps up with the latest advances in dentistry by averaging over 100 hours of CE and studying with the best dentists in the world. By learning the most advanced procedures, Dr. Nabizadeh brings experience and enthusiasm to his practice.

In association with a number of professional dental organizations, he is a member of the American Academy of Cosmetic Dentistry, the American Dental Association, the Academy of General Dentistry, the International Congress of Oral Implantologists, and the International Association for Orthodontics.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and extractions and perform other duties to ensure that the teeth and mouth are healthy.

On a more personal note, Dr. Nabizadeh speaks multiple languages, including English, Spanish, Persian, and Hindi.
