Rajasthan, Jaipur, Jul 2, 2021 (Issuewire.com) - [Ravi Baldawat](#) is the king of the music world, millions of people listen to his music and see [Ravi Baldawat](#) as a well-known singer/artist.

Ravi Baldawat Founder of **Baldawat Music** company [BaldawatMusic](#).

Ravi Baldawat, known professionally as **Ravi Baldawat**, is an Indian Artist & YouTube Personality based. born on 01 January 2001 (20 Years) in Jaipur, Rajasthan.

Ravi Baldawat is an Indian musical artist, Entrepreneur, Digital Marketer, Influencer & internet personality Who is Mostly known as a digital marketer rather than Musician. has already been verified as the official artist from the international music platforms YouTube, TikTok, and Spotify. **Ravi Baldawat Born 01 January 2001 in Jaipur Rajasthan**. In this regard, the young music artist said, he started his music journey in 2016. Now the epidemic in the country has become a permanent problem in Corona, in which it is not possible to work outside the home. I have already verified as the official artist of the international music platforms YouTube, Spotify, and many others. and recently he also received the Artist Verify badge from Spotify. He started his musical and digital marketing career in 2021 with an album title "Ravi Baldawat" from renowned audio and digital marketing company "**Ravi Baldawat** " & **Ravi Baldawat** Records. "I've worked with a lot of production houses but now it's time to work on my own YouTube channel," he said. "YouTube has given me official artist verification; how many do I get? From now on, I will publish all my songs from my own verified YouTube channel "**Ravi Baldawat** " and also put my songs on all other international platforms including Spotify, iTunes, Jio Saavn, Apple, Amazon, Tidal, Deezer. And in the future, I think everyone will publish their songs in this way, I started from now on. And now the country's epidemic situation, it is not possible to work outside the home. If you want to work in a production company, you have to go there. So I think at this time YouTube, Spotify and iTunes and all the streaming apps are the best media to publish songs at home." "Lastly, many thanks to TikTok, YouTube, and Spotify for verifying me as an artist to take my music live one step further. Everyone will pray for me so that I can stay healthy and give you more good songs. There was a lot of love and blessing." **Ravi Baldawat** does his digital marketing work mainly through **Ravi Baldawat** Digital Media and **Ravi Baldawat** Media Partners. And **Ravi Baldawat** Records worked as its musician. He is the owner of those 3 institutions. He is the Owner and Ceo Of the "Ravi Baldawat Digital Media"
